30-60 DAYS

The time it typically takes for a quick, smooth transition to full operations with an 8(a) company.

WHY TRIBAL 8(A)?

✓ SOLE-SOURCE CONTRACTING

We expedite the acquisition of goods and services, saving you time and resources. How? Our certification allows the Government to award sole-source contracts to us up to \$22M without Justification & Approval (J&A) and over \$22M with J&A thereby streamlining your procurement process.

✓ COST SAVINGS

The Indian Incentive Program offers a 5% rebate to prime contractors that subcontract to a Native American owned enterprise or organization.

✓ SDB CREDIT

Contracting with Tribal 8(a) firms like us allows prime contractors to receive small and SDB credit. According to FAR Subpart 19.703, subcontracting work to these firms helps meet federal subcontracting goals and promotes diversity in the supply chain.

✓ SIMPLIFIED COMPLIANCE DOCUMENTATION

We streamline compliance documentation. How? We are experienced in navigating the complex landscape of compliance requirements, ensuring all necessary documentation is efficiently managed and submitted in accordance with federal regulations.

SOLE SOURCE ADVANTAGES

✓ Direct award contract offered by SBA with an unlimited ceiling to an 8(a) participant owned and controlled by a Native American tribe per **13 CFR 124.506(b)**.

✓ Flexibility and reliability through direct negotiations per **13 CFR 124.503** and competitive threshold exemptions per **48 CFR 19.805-1**.

✓ Elimination of pre-award schedule risk as Native American sole source procurements cannot be protested per **13 CFR 124.517(a)**.

✓ Benefit of virtually unlimited sole source ceiling to Government under Tribal 8(a)s unlike other 8(a)s, per **48 CFR 6.303-1**.
